

REFER A FRIEND

And Reward Yourself

Share your personal referral link

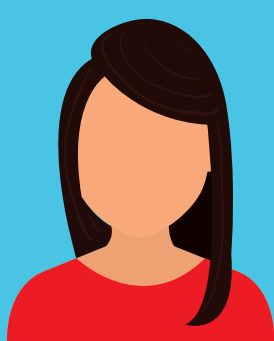

Under the referral program, existing SEC³URE Passport subscribers will be incentivized for successfully bringing in new subscribers. Earned incentives will be used as credits toward on-time SEC³URE Passport renewals.

When you participate, you'll be given a personal referral link to share with anyone you'd like to invite. **There are 3 tiers of incentives.**

Cha-ching! You've earned a credit.

1

If one of the colleagues follows your referral link and joins SEC³URE Ethos, you will earn a \$20 credit toward your next SEC³URE Passport renewal.

1 qualified referral = \$20 credit

Hot dog! You did it again.

2

If a 2nd colleague on your invite list joins SEC³URE Ethos by using your personal referral link, your SEC³URE Passport subscription credit will go up to \$60.

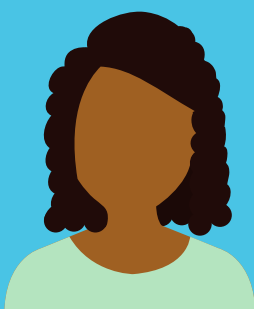

2 qualified referrals = \$60 credit

3 referrals! Now you're just showing off.

3

If a 3rd colleague of yours also joins SEC³URE Ethos, your reward will jump to \$160. That's almost a 50% credit toward your annual subscription fee!

3 qualified referrals = \$160 credit
